DEDICATION

A teacher in the dignity of the noblest sense, he has instructed us, encouraged us, led us by example. We have learned much in his sparkling genuine friendship.

Inspiring us to find our better selves, he has, at the same time, been one of us. Always ready to understand, to sympathize, to laugh, he has freely given of his time, his talent, and himself.

With the sincere respect, the love, the gratitude that are so rightfully his, we proudly dedicate this 1954 WOLVES TRACK to our coach,

VOL FAULKNER

Administration
